Product Endorsement

Digital Diagnostic Systems (DDS) endorses MoldTech®Mold Inspection Software as the best product currently on the market for professional, residential, mold inspection reporting. The ability to document on site inspection notes and critical data with a MoldTech®PDA is an exceptional benefit for the busy mold inspector in today's industry. Ease of use, and instant guidance in the reporting process, are just two of the many advantages of this quality driven product. DDS recommends the use of MoldTech® Mold Inspection products to all of our Digital DIS-10 System Mold Inspectors.
